# Veterans Training Program

If you're a U.S. Veteran in search of a rewarding new career, Sierra Digital would like to hear from you!

In as few as 6 months, you can earn the training you need for an essential job in the high-tech industry while earning a stipend.

Sierra Digital, in partnership with St. Michael's Learning Academy, is dedicated to providing comprehensive vocational programs that train U.S. Veterans with the most sought-after career and technical skills needed for employment in today's competitive job market.

**Office 365**

**MOS Office 2019**

Boost your career with a Microsoft certification and learn the skills needed to thrive in workplaces that run on Office 365. Demonstrate your mastery in the use of modern office applications.

**SAP**

**TS410 – HANA**

Learn to perform key business processes in essential operational areas like Accounting, Human Resources, and Project and Warehouse Management by utilizing the world's most prominent ERP.

**Project Management**

**PMP/CAPM**

Become a more effective and influential project manager. Learn comprehensive and complete resources for PMP exam preparation, featuring full coverage of all exam objectives, practices, and a myriad of interactive tools.

**Six Sigma**

**GREEN BELT**

Elevate your career potential and increase your paygrade at any organization. Become initiated in the tenants of process improvement, and start a career in being the driving force of change at your company.

Right now, we're experiencing high demand for SAP Program Technicians and Project Managers serving a variety of department functions, including:

## Words of Praise

"SMLA was very instrumental to me as a transitioning Army Officer. The SAP ERP taught me a great deal about business, the corporate world, and the automation of processes surrounding it. My training allowed me to secure a role as a Risk & Compliance Manager and, within just one month, I'm already traveling overseas doing BIG things for the organization and the clients that we support."

- **Neville Onyango**

- Accounting
- Human Resources
- Information Technology Services
- Operations Management

These jobs feature excellent pay and benefits while allowing a great work/life balance.

Sierra Digital's Veterans Training Program strives to offer an outstanding educational experience that will prepare you to enter a new career path of your choice, or level-up your already thriving career.
